Subject No. 554.
Lands resigned within three years before darkhast.

Summary of discussion.—It is desired that lands relinquished within three years may be granted for cultivation without sale.

Dewan's reply.—The present rules require no change.

Subject No. 555.
Portions of kharab numbers for cultivation.

Summary of discussion.—Portions of kharab numbers required for cultivation should not be sold by auction. If there are no trees thereon, they should be granted free to applicants, in consideration of the trouble taken by them in rendering assistance for measurement, demarcation, &c. Where there ar trees, the lands should be given for a reasonable price.

Dewan's reply.—No. The land must be sold by auction when there is more than one applicant for it. (See also Subject No. 515).

Subject No. 556.
Improvement of Tanks in Nagamangala Taluk.

Summary of discussion.—The present waste weirs of tanks in the Nagamangala Taluk should be raised by one or two feet, so that they may retain increased and unfailing supplies of water.

Dewan's reply.—Yes, in individual cases where necessary and practicable.

Subject No. 557.
Extension of Remission Rules to Garden lands.

Summary of discussion.—The Remission Rules should be extended also to garden lands under tanks.

Dewan's reply.—Yes, in special cases in which the Deputy Commissioner may recommend.

Subject No. 558.
English school for Nagamangala.

Summary of discussion.—An English school should be opened at Nagamangala.

Dewan's reply.—The Education Department will consider on Deputy Commissioner's report.

Subject No. 559.
Bridge required across the Lokapavani at Honnakere.

Summary of discussion.—The construction of a bridge across the Lokapavani river at Honnakere (French Rocks-Nagamangala road) is very necessary.

Dewan's reply.—The Deputy Commissioner says he has referred the subject to the P. W. D. A definite reply will be asked for.

Subject No. 569.
Works required for Nagamangala Taluk.

Summary of discussion.—The following works are required for the Nagamangala Taluk:—

(*a*) Restoration of Nagamangala-Sravanabelagula road *viâ* Bindiganavale.

(*b*) Opening out a road from Devalapura to Koppa.

(*c*) The following tanks may be restored or repaired:—
